Student Accounts Office

DELINQUENT BALANCES POLICY

Students who fail to pay their student bill will be placed into the collection system. Once a student is placed with a collection agency, all payments should be made to the appropriate collection agency. Failure to do so will result in delays in payments being applied to the student account. Students who are placed with a collection agency will not have access to their transcripts and / or diplomas until payment in full has been made. Payments must clear the financial institution prior to any transcripts / diplomas are processed.

Students who had a delinquent account that was turned over to the Attorney General, or another collection agency, and wish to return will be required to pre-pay their first semester back at LHU. This means the student must be able to prove they have sufficient financial aid to cover their first semester charges, pay the charges out-of-pocket, or a combination of the two. There are no exceptions to this policy.
