

Lock Haven University's Refund Process

Each student that enrolls at Lock Haven University will want to select a refund preference. Please visit enroll.moneynetworkedu.com to make the selection. This is the process to choose how you will receive any refund that you may get throughout your time at Lock Haven University. Once you enter your student ID number, date of birth and school email address you will be able to make the selection. Simply view your choices and make your selection. It is best to do this even if you think that you won't have any refunds so that you are covered either way. For more information visit www.lockhaven.edu/refunds.

Sign Up to Receive Your Refunds to either:

- Your bank account via ACH direct deposit (takes 3 to 5 business days)

You are responsible for putting the right bank information into the system and making sure it is up-to-date.

- The LHU Cash Card, a Money Network® Enabled MasterCard®(same day)
- A check mailed to your permanent address on file (7-10 business days)

You only have to activate and select your refund preference once. However you may change your refund preference at any time by logging into www.moneynetworkedu.com. If you have any questions regarding the refund process, please contact the Student Accounts Office by calling 570-484-2425, emailing stuacct@lhup.edu, or visiting us at 224A Ulmer.
