

Lock Haven University Policy Skateboards, Roller Skates, and Roller Blades

A. Purpose

This policy defines the prohibitions and appropriate use or areas of activity where the titled activity can be performed.

B. Applicability and Scope

This policy/procedure applies to all personnel, students, or other visitors. The policy/procedures are to be enforced on all property owned, leased, or under the control of the University.

C. Definitions

SKATEBOARDING - ROLLER SKATING - ROLLER BLADING - The movement of an individual by equipment commonly identified or know as those items listed above.

SAFETY REGULATIONS - Those rules and procedures necessary to ensure safety of individuals and property.

UNIVERSITY REGULATIONS - Those rules and policies to ensure conformance to campus regulations and specific University concerns.

MULTIPURPOSE FACILITIES - Those spaces, both indoors and outdoors used for various activities, classes, demonstrations, concert, movies, etc.

RESPONSIBLE PARTIES - Those individuals or advisors who indicate by signature that they will be in charge and assume the responsibility of ensuring adherence to this policy.

PROPERTY DAMAGE - The intentional or accidental damage to any property owned, leased or under the control of the university through the act of skateboarding, roller- blading, or roller skating.

D. Policy

To minimize the risk of personal injury and property damage upon the campus of Lock Haven University:

1. The use of skateboards, roller skates, or roller blades is prohibited within all buildings upon the campus of Lock Haven University.
2. The use of skateboards is not permitted anywhere on campus or at any time unless approved by the Office Public Safety as part of a scheduled program or demonstration registered through an appropriate administration office.

E. Procedure

1. Any University personnel observing a violation of this policy should immediately inform the violator of this policy. In the event that property damage has occurred, a call should be placed for Public Safety personnel to respond and investigate the incident. Officers shall identify the parties responsible for the property damage and if necessary, file the appropriate legal charges for such damage.
2. The Offices of Student Life and Housing, Public Safety, and University External Relations and Communications shall communicate this policy annually to residents living on campus, commuting students, and visitors to campus via various communications and media outlets.
3. The Office of Facilities shall erect and maintain signs at the entrances to the University advising that these activities are prohibited upon the property.

4. Public Safety shall forward all reports concerning violations of this policy to the appropriate judicial official through the Student Affairs Office for review and follow up as appropriate.

5. Responsible parties wishing to schedule a demonstration, show, or program pertaining to the titled activities must meet with the Director of Public Safety to review safety regulations and suitability of the request of a multipurpose facility.
