Subject: Eliminate History Specification (HIST 102) from Core Requirements for
B.S. in Criminal Justice Degree

The Department of Criminal Justice and Paralegal Studies proposes dropping the specific requirement of HIST 102 as required for the BS Degree in Criminal Justice. This matter was discussed and formally voted on (approved) by the faculty at the 9/13/05 Departmental faculty meeting.

The current BS degree in Criminal Justice requirements specify that CJ majors must take HIST 102 to satisfy the General Education Requirements for History. This requirement was put into place because this course was listed as a pre-requisite for SOCW 102 Introduction to Social Work. We are proposing (in a separate memo) concurrently that SOCW 102 be deleted from core requirements for the BS in Criminal Justice. Therefore the specific designation of this general education requirement is no longer required.
