As a result of the recent UCC approval to transfer education courses into their respective disciplines, the following course numbers have been changed.

EDUC206 Secondary Education 1: English to ENGL206 Secondary Education 1: English  
EDUC312 Secondary Education 2: English to ENGL312 Secondary Education 2: English  
EDUC415 Student Teaching and Practicum Secondary 1 to ENGL415 Student Teaching and Practicum Secondary 1  
EDUC416 Student Teaching and Practicum Secondary 2 to ENGL416 Student Teaching and Practicum Secondary 2

There are still other areas (below) that need to be updated; these will be worked on until completed.

1. Web course descriptions
2. Web program requirement outline
3. Degree audits
4. Fall 2004 course schedule

If questions, please feel free to contact me.
