

TO: University Curriculum Committee
FROM: Karen Harvey, Chair
Department of History, Political Science, and Economics
SUBJECT: Program Title Change
DATE: February 4, 2005

The Department requests that the name of the Secondary Education Citizenship major be changed to Secondary Education Social Studies. The change was approved by the Department on January 17, 2005. The change has also been approved in Harrisburg, but must go through our curricular process as well. Even if further name changes occur in the future as the major evolves, we need the change for students soon to graduate.
