**What Should I Pack if I am living in the Suites?**

Living in Fairview Suites means you bring everything a student living in a traditional hall does, and you might want to bring along with a few extra items, depending on what style suite you are living in. Here is what we think you might want to bring:

<tr>
<th><strong>Bathroom Needs</strong></th>
<th><strong>Living Area</strong></th>
<th><strong>Bedroom Area</strong></th>
</tr>

<td><em>(Private Suite)</em></td>

</table>
| - Shower Curtain (The University supplies a shower curtain rod, you supply the curtain.) | This area is unfurnished. You are welcome to bring a table and chairs or a small couch or futon for this area. The countertop that is in this area is designed for your refrigerator to fit underneath of it, and your TV to go on top of it. You could also put your microwave here and use it as the place for your late night snacks. You may also want a small area rug for this space, as it does have a tile floor. | - Window Curtains  
- Window Curtain Tension Rod (The University does not provide a curtain rod, nor are you allowed to put holes in the wall to hang one. A tension rod is the only allowable window curtain rod)  
- TV, each bedroom in the Private Suites has its own cable jack.  
- Extra Long Sheets (Only Fairview Suites uses extra long sheets. If you are interested in purchasing sheets from our partner, please follow the link to *Residence Halls linen program*) |

- Toilet Paper  
Residents of each suite are responsible for providing their own bath tissue, a small quantity will be available for purchase from the Fairview front desk.
