

REQUEST TO RESUME STUDIES

Request to resume will be reviewed by the Registrar's Office for academic eligibility to continue enrollment at Lock Haven University.

Approval of your request to resume studies through the Registrar's Office neither implies nor guarantees the receipt of financial aid or the ability to enroll. A student's previous academic and financial history can affect the ability to receive financial aid. Any current or prior unpaid or delinquent account balances will hinder a student's ability to re-enroll. It is **HIGHLY RECOMMENDED** that all students, who wish to resume their studies, contact Student Financial Services (SFS) prior to submitting this application to review financial aid eligibility, as the resume studies fee once paid is *non-refundable*. Inquiries can be made in person at 123 Russell Hall or by phoning 570-484-2344.

Please be advised that the request to resume studies must be done no later than three (3) weeks before the start of any term. Requests made after that time may be subject to time delays due to processing time, which could cause delays in notification of a student's ability to resume studies based on financial, or other, information.

I will resume studies: Fall ____ (year) / Spring ____ (year) / Summer 1 ____ (year) / Summer 2 ____ (year)
 If returning for a summer session, will you also be continuing in the fall semester? ____ Yes ____ No
