Associate of Science/ Nursing
Bachelor of Science / Applied Health Studies Track
Bachelor of Science / Business Administration
Concentration in Management
Concentration in Management Information Systems

Clearfield Campus...

is located in the small, friendly community of Clearfield along the Susquehanna River about 60 miles west of Lock Haven University. We offer the same quality faculty, activities and computer network as the main campus, but with a selection of alternate courses.

The Clearfield Campus of Lock Haven University truly offers a small college lifestyle and a big university education. Our classes are small and taught by highly-qualified faculty who are genuinely concerned about the success of their students. Here you will get the individual attention and support you need to excel in your chosen field of study.

Along with degree and certification programs, we also offer distance education and on-line courses.

We have non-traditional students who are returning to or just starting college as well as traditional young adults who just graduated high school. You can choose to commute to class while living at home or off-campus, or live in our new, modern two and four bedroom apartments, Foundation Village adjacent to the campus. For information on housing, contact our housing coordinator at 570-484-2994.

The campus includes modern classrooms, an extensive library, computer labs, a bookstore and student lounges ... everything you need for a quality education. Our campus-wide fiber-optic network allows easy internet access, e-mail, file sharing, computer programs, specialized applications and the on-line card catalog at the Main Campus library.

There's plenty to do outside the classroom as well with the Clearfield Campus Activities Board ... softball, baseball, pizza parties, bowling, ski outings, bus trips to various cities, theme parties, ice cream socials, movie nights and events in the community. For exercise, you'll get a free membership to the local YMCA where you can enjoy racquetball, a heated indoor pool, exercise classes and workout equipment. You are welcome to attend all the concerts, plays and events at the Main Campus as well.

The Campus & The Community

In 1989, with the help of a group of Clearfield community leaders who wanted to bring post-secondary education to the area, Lock Haven University expanded its educational programs and mission by founding a branch campus in Clearfield. The current facility, Founders Hall, opened for classes in fall of 2001 with modern classrooms, new equipment, library, bookstore, study lounge, science lab and state-of-the-art computer lab replacing the original facilities.

The same group of community leaders who founded the campus evolved into the Clearfield Educational Foundation which provides scholarships and grants to students. The Foundation continues to work to make quality education at the Clearfield Campus affordable and convenient.

The community of Clearfield is a safe, friendly town with shops, parks, bike paths, historic movie theatre, bowling alley, roller rink and YMCA with a separate fitness center. Its location makes it ideal for canoeing on the river, hiking, camping and other outdoor activities.

Many of the local restaurants feature menus geared toward the tastes of our students. And there are many modestly-priced apartments in town for those who choose to live off-campus.

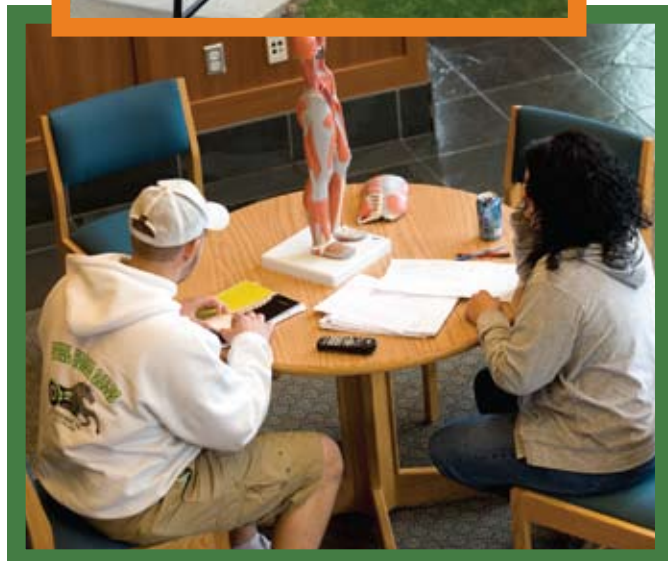

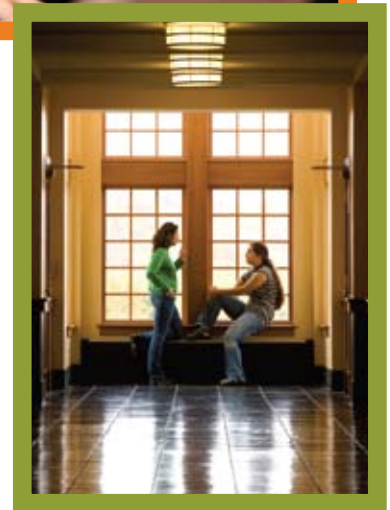

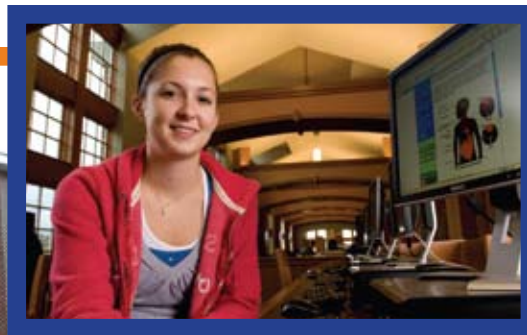

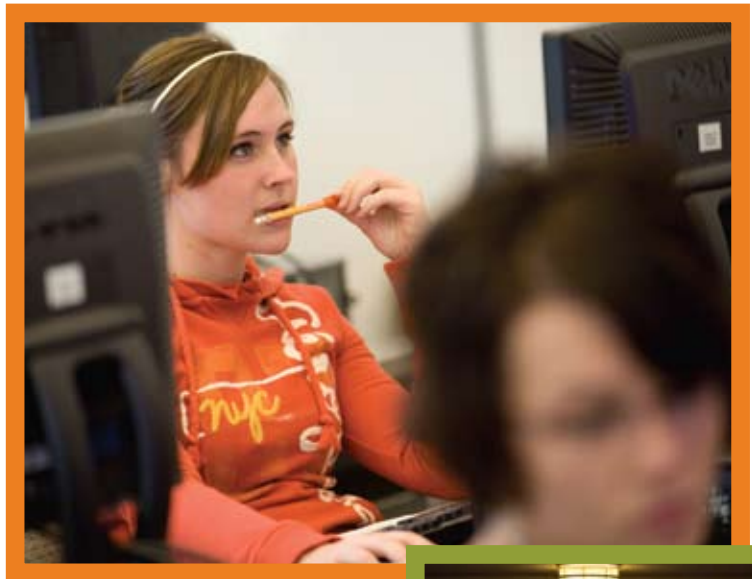

Student Academic Services

At LHU Clearfield, we truly want you to succeed. We offer tutoring and resource material through the Student Learning Resource Center. You can take advantage of one-on-one help from professors or peer tutors.

In addition, LHU is the first PASSHE school to require each student to have a laptop computer. The Student Technology Enhancement Program (STEP) recognizes that computers are no longer a luxury, but a necessity in providing a quality education. Students may purchase a laptop through the university or borrow one while attending.

Our high-speed wireless fiber-optic network includes e-mail, Microsoft Office, a career search program, electronic library databases and Internet access. It also puts you in touch with the Main Campus and other universities.

Financial Aid

At LHU Clearfield, you'll get a big university education at very affordable prices. We receive state funding as part of the Pennsylvania State System of Higher Education. Most of our students receive some form of financial aid including grants, loans, scholarships and employment opportunities on campus. The Clearfield Educational Foundation also provides scholarships for students from Clearfield County. For details, call the campus.

How to apply...

Admission to LHU is on a rolling admissions basis with review of applications beginning on October first each year. You can apply on-line at www.lhup.edu/admissions (\$25 fee by credit card) or obtain a paper application (\$40 fee) by calling 814-765-0559. You will need to have your high school or college transcripts and SAT scores sent to the Clearfield Campus Office of Admissions. Successful completion of a Test of Essential Academic Skills (TEAS) is also required for Nursing. There are also other special requirements for selected majors. Call the campus for details.
