

2009

America's

Recycling Day

Collected

2,000 lbs of scrap metal

½ ton of tires

8 pallets of electronics

Paint, used oil, batteries,

Plastics, glass, cans, newspapers and paper

Pictured are the student helpers Jeff Meyer II and Holly Dumm who worked hard on Saturday unloading cars, sorting the recyclables, dumping used oil and emptying the trucks.

Thanks so very much for everyone's participation!
