

The Local Negotiations Committee met on Thursday, February 22, 2007 at 12:30 p.m. in Robinson 317.

Those present were: Kim Alexander, Jamie Foor, Tara Mitchell and SueAnn Schatz (all members were present).

The purpose of this meeting was twofold. The first order of business was to discuss the function(s) of the committee. Currently, the committee does not fulfill its charge. We met to discuss ways to change that fact. We developed several ideas, including a name change (to indicate our more general nature) and a modification of the charge (to allow for assistance to the Strike Committee during negotiation years).

The second order of business was to discuss a recent proposal for the Statewide Negotiating Team. As part of discussing this proposal, the formal procedure for the proposals was discussed. It was decided to continue thinking about this process and discuss it and the proposal once more information was gathered.

The meeting adjourned at 1:15 p.m.
