

## Minutes of the Newsletter Committee

14 September 2007

Present: Nicole Burkholder-Mosco (chair), John H. Wilson, Tara Mitchell, and Carina Howell

The meeting began at 10:03 a.m.

### **Responsibilities:**

J. Wilson agreed to take care of the “Kudos” column. T. Mitchell informed us that the link for “Kudos” is still going to Matt Girton (last year’s organizer of the column). She will update the link to alert J. Wilson rather than M. Girton of submissions. Following is the link to the APSCUF newsletter: <http://www.lhup.edu/apscuf/Committees/Newsletter.html>

T. Mitchell agreed to take photos for the year.

C. Howell agreed to post issues on the newsletter’s web site.

N. Burkholder-Mosco will serve as editor.

### **Other Columns:**

N. Burkholder-Mosco will contact Fay Cook, APSCUF President, to see if she is interested in writing a monthly column. J. Wilson suggested contacting Reynol Junco if Fay doesn’t want to submit each month: he might like to contribute as well.

If any faculty members submit to the “Getting to Know You” new faculty link, we’ll publish those interviews.

N. Burkholder-Mosco will contact the athletic department to see if there is any interest on their part for a “Coaches’ Corner” column.

N. Burkholder-Mosco will contact Rick Lilla, a prior committee member, to see if he—or other library personnel—is still interested in submitting to a “Point and Click” column that discusses library science news.

Unless there is a desire from the computing center for a “Bits and Bites” column, it was decided that column will be shelved for this year. (There were no contributions last year.)

### **First issue:**

Cheryl Orndorf told N. Burkholder-Mosco via e-mail that the first issue (September) will be pretty full without additional contributions. She is working on the preparation of that issue.

N. Burkholder-Mosco reminded the committee that contributions are needed by the 15<sup>th</sup> of the month.

The meeting adjourned at 10:20 a.m.

Respectfully submitted,  
Nicole Burkholder-Mosco
