CLASS OF 2000 FOLLOW-UP REPORT

This Follow-up Report is intended to provide information on the current status of the Class of 2000, and includes graduates from the three Masters' degree programs.

A total of 610 students graduated from Lock Haven University of PA in December 1999, May 2000 and August 2000. In November 2000 a follow-up survey was mailed to these graduates, with a second mailing going out in January 2001. In February and March, an attempt was made to telephone all non-respondents. It is important to note, therefore, that graduates are responding to the survey anywhere between three to eleven months following their graduation.

The following statistics are the results of the mailings and telephone calls, as of April 2001.
