CLASS OF 1999 FOLLOW-UP REPORT

This Follow-up Report is intended to provide information on the current status of the Class of 1999, and includes graduates from the three Masters' degree programs.

A total of 594 students graduated from Lock Haven University of PA in December 1998, May 1999 and August 1999. In November 1999 a follow-up survey was mailed to these graduates, with a second mailing going out in January. In February and March of 1999 an attempt was made to telephone all non-respondents. It is important to note, therefore, that graduates are responding to the survey anywhere between three to eleven months following their graduation.

The following statistics are the results of the mailings and telephone calls, as of April 2000.
