What's new on campus?

From Dr. Marianne Hazel's monthly updates:

•We were delighted to have Adam Wisor, LHU alumnus, as our featured speaker during this year's Clearfield Campus Founders' Day. Having so many families, community members, faculty, and LHU administrators here to support our students, as they were awarded their scholarships and to present the scholarships certainly made the evening extra special.

•The next student fireside chat; open office hours with the dean will be held on Thursday, November 10th. It is always a treat to hear students' thoughts and ideas, and we value their input!

•Dr. Amy Way and the Health Science department is selling "LHU Around the World" t-shirts to support the LHU Clearfield Campus spring

Buy your LHU Around the World t-shirt for \$10 on campus benefiting the service trip to Morocco.

break service trip to Morocco. Profit from the t-shirts will go directly to our LHU Clearfield Campus students to offset the transportation costs for the trip. Please consider supporting this endeavor by purchasing a t-shirt. The shirts are \$10.00, and you may e-mail Dr. Way at away1@lhup.edu.

•The LHU Clearfield Campus blood drive, to support the

American Red Cross, was a success! We exceeded our goal and collected 31 pints of blood! Many thanks to Kristen for organizing this! Another blood drive is being planned for the spring semester.

•The LHU Clearfield Campus Student Activities hosted the annual Halloween Haven, on Sunday, October 30th. Activities included demonstrations from our LHU Chemistry Club, trick-or-treating, games, and crafts, and this free event was open to the public.

•The LHU Celebration of Scholarship has been set for April 25, 2012.

•Dr. Hazel served as the keynote speaker at the annual Untied Way kickoff luncheon on October 6th held at St. Charles Café.

•The last admissions open house for 2011 will be on November 12th.
