

# Campus Beautification Project Recommendation

Name: Lawrence T. Farley  
October 2007

Date: 19

Recommended work: (please include location and detailed scope of work)

Plant one hundred evergreen trees on campus.

Please provide information on how your recommendation meet each of the the following criteria:

Aesthetics-20 pts. Huge aesthetic value to have green during the long winter.

Educational Value-10 pts. Students will be less depressed and will pursue their studies more diligently.

Frugality (one time and ongoing costs)-20 pts. Low initial cost and very few ongoing costs (no leaves to rake either)

Range of Impact-10 pts. Wide impact across campus.

Legality (Compliance with law, policy, contract or code)-15 pts. No legal problems—trees are permitted in all zones under the zoning regulations.

Public Safety-15 pts. Will reduce the wind velocity so will reduce the wind chill.

Ownership-10 pts. For in the true nature of things, if we rightly consider, every green tree is far more glorious than if it were made of gold and silver. ~Martin Luther

Stakeholder

*Please use the back of this form if more space is needed.*

Each suggestion will be assigned a score by the committee and supported by a cost estimate from the Facilities Department. Based on the scores assigned, a priority list will be developed using the score for each suggestion.
