Note 1 – This building must be done by 11:00 a.m. on Tuesday, May 12 due to a major event set up in the afternoon.

Note 2 – Due to being used for class preparation and studying, this building must be done by Monday, May 18th.

Note 3 – The classrooms can be done after 6:00 p.m. The gyms and pool can be done on first shift except for two dates when there are events scheduled: Friday, May 29 (8:45 – 11:15 a.m.) and Friday, June 5

Note 4 – Most of this building is not being used during this time except for some office space. There is only one class in room 146 which would need to be done after 6:00 p.m.

Note 5 – This building is only being used by those who have offices due to the elevator replacements and roof. However, because there will be a lot of people on campus because of Orientation, use your best judgment on when to do this work.
