- k. Minority Business and Women Business Enterprise Participation in Facilities Projects:

M/WBE PROGRAM SOLICITATION REQUIREMENT:

- 1. The MBE/WBE *solicitation* requirement shall be enforced. PASSHE takes this very seriously.
- 2. Information regarding the availability of certified Minority and Women Business Enterprises may be obtained from the Commonwealth of PA’s “Bureau of Contract Administration and Business Development” at the following web-page of the PA **Department of General Services**: <http://www.dgs.state.pa.us>, and proceeding to the section entitled “Bureau of Minority and Women Business Opportunities”, and typing in **Keyword: MBE/WBE**. **PLEASE NOTE:** This is simply one possible place to find certified M/WBE firms. Contractors may also submit other

minority and women-owned businesses that have been certified by other states or by other duly constituted public bodies.

3. Failure to complete the M/WBE Subcontractor and Supplier Solicitation information sheet/chart (Exhibit A) **and** to submit it with the bid will be sufficient cause for rejection of the bid.
4. Review all items that will be required to be submitted with the bid to fulfill contractor's proactive effort to reach the REAA (Reasonable Effort Award Amount) (e.g., copies of "request for quotations" that were issued, responses actually received from M/WBE's, lower quotes from non-minorities, letter of commitment to lowest submittal – whether a minority OR a non-minority firm). At a minimum, letters of solicitation shall contain sufficient detail so as to specify the type of work and/or material for which quotes are being sought. Additionally, it ought to be noted in the letters of solicitation that project specifications are available for review at the Contractor's office, at Lock Haven University, **and** at the various bidders exchanges noted in the Notice to Contractors. **For clarification of the M/WBE requirements, bidders can contact Becky J. Proctor (Director of Procurement) directly at 570-484-2010.**
5. Certified M/WBE numbers must be on the form/chart.
6. If written quotes are received from certified MBE/WBE firms at or above the reasonable award amount, but lower written quotes are received from non-minority firms, to get credit for the M/WBE solicitation requirement bidders must show commitment(s) to at least one non-minority firm which submitted the lowest written quote at the time of receipt of bids for the same work or materials.
7. An additional illustration of the M/WBE requirements was made available, for information purposes only, at the pre-bid meeting. Additional copies of this packet are available from the University upon request.
