President - Rob McCauley

Vice President - John Cattoni

Secretary - David Petruzzi

Treasurer - Tony Anastos

REASONS FOR SUPPORT

"We support football at LHU because we have seen the kind of man that the program produces. The scholar-athletes involved in this program have proven over and over again that they are quality guys both individually and as a group. We are happy to be part of this fine program."

~Dr. Craig Dean Willis,
Former President of
Lock Haven University

REASONS FOR SUPPORT

"My husband Bob and I have a long history of supporting Bald Eagle football, as teachers, advisors, and fans. We always understood the special contributions student-athletes make to the classroom, to their sport, and to the university community. Following Bald Eagle football and knowing many memorable players over the years enriched our lives, and I hope the Robert O. Perry Memorial Scholarship, which I recently established with the help of Bob's friends, family, and former students, will carry on my husband's legacy by helping future student-athletes achieve their goals. I believe Coach Klacik is taking the program in a positive direction, and I'm glad I can continue to support LHU football."
