EXPLANATION OF FEES

Student Activity Fee
All full-time students of LHUP must pay an activities fee as mandated by the President of the University under Legislative Act XIII of the General Assembly of Pennsylvania, and administered under regulations approved by the Council, Inc. (S.C.C.). This fee helps to underwrite the cost of student activities, intercollegiate athletics, social functions, dances, movies, concerts, art and lecture series, cultural events, the student newspaper, and PUB recreational facilities. The Student Auxiliary Services, Inc. Board sets and determines the Student Activity Fee. Fees are assessed to all registered students, including those students enrolled in web courses. Fees are assessed based on the number of credits a student is registered for.
